

Extension of LHD CARE Contract to Hong Kong Fire Services Department

We are pleased to announce that the Hong Kong Fire Services Department (HKFSD) has just awarded a new contract for providing a comprehensive Managed Care and Maintenance Services (i.e. LHD CARE) to our LHD Group Hong Kong subsidiary company for two fixed plus one optional years starting from 1 Oct 2022. LHD Group has been providing the LHD Care service to HKFSD since 1 April 2011 and we are proud to say that our complete and professional service provided had earned the trust and recognition from our client.

Hong Kong, October 2022

HKFSD consists of about 11,000 members with about 13,000 sets of firefighting protective suits which were also supplied by LHD Group, under the LHD Care services currently. The LHD Care for the HKFSD covers wide scopes of service including the door-to-door collection and delivery, professional programmed cleaning & drying, germ kill, decontamination, inspection, repairs, records and lifecycle tracking services.

With the comprehensive and tailor-made to suit individually client's need service modules – from washing, inspection, and repair – the LHD CARE System guarantees the best possible service for your protective clothing, extending beyond the mere production.

In this respect, the LHD offers an advantage for fire services and enterprises by avoiding the risks or errors in their washing or repairing articles themselves, risks or errors which could influence the safety of the wearer. By means of professional washing and drying which does not affect the functionality of the membrane it is thus ensured that the product life cycle is lengthened. To care your valuable protective clothing, LHD Care shall be your best option.

Company Profile

For almost more than 20 years the current LHD Group Deutschland GmbH has provided holistic solutions for your professional and protective clothing. In so doing, functionality, quality and a high level of wearing

comfort are of uppermost priority whether it is the case of a uniform and action clothing, protective equipment, workwear or corporate fashion.

Care. The LHD provides more than simply the manufacture of the clothing. Individually combined service modules, from laundry through to repair and an emergency pool in the 'LHD CARE' system are now providing total service for your clothing.

Protection. Whether in the case of operations in the field or in daily working surroundings – safety is of primary importance! Your safety is insured by personal protective equipment from head to toe as well as by product and service concepts catering for your individual requirements.

Fashion. Innumerable innovations together with our know-how are evident in the development of our products. Every single job creates different requirements for the appropriate clothing. Our individual solutions are as varied as the operational fields of Corporate Fashion themselves.
